

ODISHA PUBLIC SERVICE COMMISSION

CUTTACK

PRESS RELEASE

It is for information of all concerned that the Odisha Public Service Commission has decided to conduct the Preliminary Examination of Odisha Civil Services – 2017 on 18th February, 2018 after postponement of the examinations based on request of the candidates scheduled to be held earlier in December, 2017. There are only sixty candidates appearing for interview prior to 18th February, while there are nearly 50,000 candidates taking the Preliminary Examination. Moreover, due to impending board examinations further postponement is not possible due to lack of examination centres. Hence the decision to conduct the Preliminary Examination with a very minor overlap was unavoidable. However, if any candidate having interview prior to 18th February seriously feels for an alternate arrangement, can approach the Commission by 8th February for necessary consideration.
